## **The Best Way To Make Money Online**

Hello my friend.

Dr. Hilal Here!

I got huge emails asking me about the easy way to make living online. So I prepared this very powerful report for you.

Before we start, I want to say it is NOT easy to make money online, but in fact it is not impossible. I'll try to simplify it as I can, so, you can start quickly and strong.

The good news here is, just you learn how to do it, you can leverage it. In other words, if you learn how to make your first dollar through the internet, you can multiply what you did to earn \$100s, \$1000\$, or even \$1Million on the internet.

Yes, there are many people like you and me make huge amount of money online. In this report I'll teach you how to start in easy steps. Once you learn, apply, earn and leverage.

In fact there are 100s of different ways to make money online. But I'll focus on just one method which is called "affiliate marketing". What affiliate marketing "AM" means? To understand let me give you an example.

Assume that "John Smith" is selling a certain product, say a book for example. Assume the price of this book is \$40. Assume that John offers 75% of the book price to affiliates. An affiliate in this case is "YOU". This means if you sell the book of John Smith to any person, you'll earn 75% of the book price (\$30) and John Smith will earn 25% (\$10). If you know how to sell just one book of John smith, you can leverage the process of selling to sell 10 books, 100 books, or even 1000 books in one month. This means a real profit for you of \$3,000, \$30,000 or even \$300,000.

Don't be surprised. There are people like you sell more than that number every month. I'll show you the process in this report.

Not only so, but I'll let you know more and more procedures as long as you stay in my mailing list.

I highly recommend that you read this report twice or more to understand every single word written here. Then apply what you learned. Believe me success will come to you only if you make action.

Very Important:

If you are NOT interested in making money online, just close this report and delete yourself from my mailing list.

Let us start.

### **Step 1:**

Go to this website and sign up by typing your name and your primary email (The email you check every day), then click the button "Get Instant Access" just under your details.

<http://www.makemoneywithrhilal.com/>

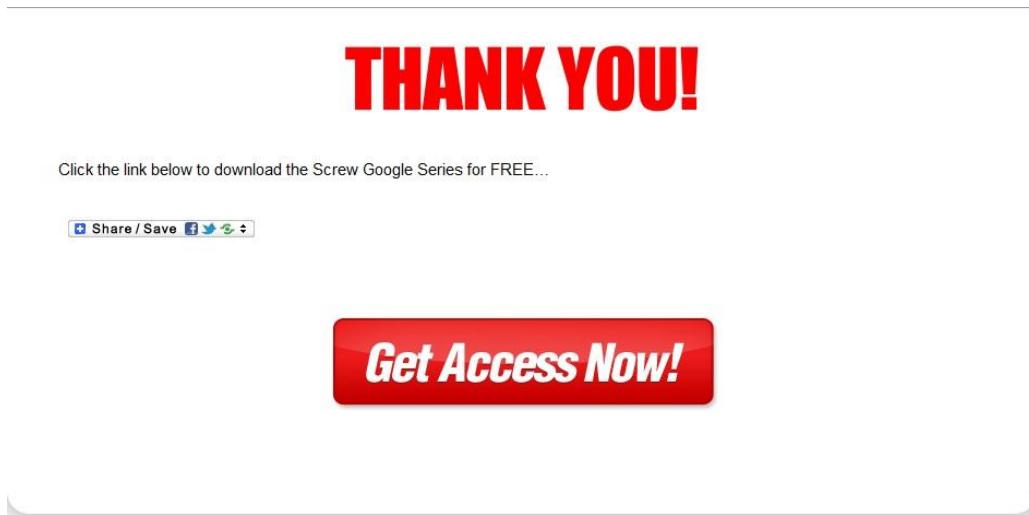

### **Step 2:**

As soon as you type your name and PRIMARY EMAIL, click the "Get Instant Access" button, you'll see the following page. Now click "Get Access Now!" in the new page.

A new window will appear to ask you to download the package. Choose "Save File" then click OK. Please download it into your desktop for now. Then later you can move it into your "My Documents". But for now, just keep it on your desktop. Now click "Save".

The package will start to be downloaded into your computer. Please be patient. The file size is 97.7 MB, so it may take some time to be downloaded into your PC. It depends upon your internet speed.

You'll also receive an email with the download link, just in case if you lost the page of download.

### **Step 3:**

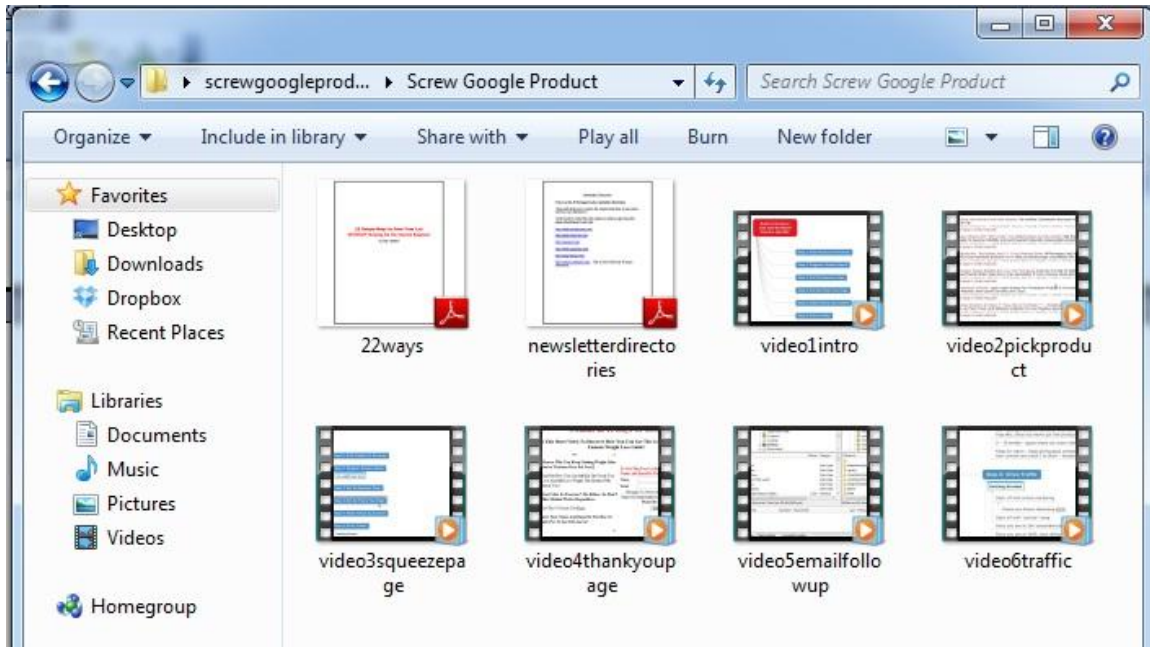

The downloaded file will be in zip format (i.e. compressed). So, you need to unzip it. It is very easy to unzip the files. Just download the unzip software to do this for you. You can download it for FREE from:

<http://www.winzip.com/downwz.htm>

### **Step 4:**

After you download the winzip software, just double click on the large downloaded zip folder which you downloaded onto desktop from my site. Its name is "screwgoogleproduct", and use "Extract" from the tools bar. You'll get another the uncompressed folder. It is also called "screwgoogleproduct". But this one is a folder not a zip file. Please keep it on your desk top for now.

Now double click the new extracted folder "screwgoogleproduct" to open it. Then double click the inside folder which is called "Screw Google Product". Now you'll see something like the image below.

As you see, this folder includes 6 videos and 2 PDF reports.

I highly recommend you to watch ALL videos first, then read the PDF. Please use the following steps.

### Step 5:

Now, double click the video “**video1intro**”. This is an introduction video. Watch it, understand it. But don’t do anything now. Just watch it, understand it, then come back here. I’ll tell you what and when you need to take action. OK?

### Step 6:

Double click the video “**video2pickproduct**”. This is a very important video. Make sure to watch and understand it. This will teach you how to choose the best product to promote to earn good money. After watching this video, come back here and follow these magic steps.

### *Action Step 1:*

Now goto Clickbank and sign up FREE for an account.

<http://affiliatesgoldmine.com/1/ClickBank.html>

Make sure you type your details correct specially your address. This way you will make sure you'll get your checks on time and never lose a check from Clickbank. Here is the link to sign up for a FREE Clickbank affiliate account. Here is it again:

There, click on the green button "Sign up" at the top right side. On the next page, type your details correctly.

CONGRATULATIONS! You just finished your very first and important step.

Please have a cup of coffee, or a cold juice now and come back to continue the following steps.

### *Step 7:*

Now please watch the video titled "video3squeezepage". Just watch the video first, then come back here. I'll show you how to get very cheap domain name, host and autoresponder in this action steps. So, make sure to come back here after watching "video3squeezepage".

### *Action Step 2:*

Go and get your domain name from DomainAbbey. Godady is a good one but there is another seller, you may like it. It is easy to deal with it. You can get a domain for about \$3, but I personally like domains with (.com, .org, .net). Here is the link:

<http://domainabbey.com/>

### *Action Step 3:*

Now go to the following link to get your host at just 1 cent for the first month. On the site, click on the orange button: “View Web Hosting Plans” at the upper part. Then choose the “Baby Plan” the middle one.

<http://affiliatesgoldmine.com/1/HostGator.html>

### *Action Step 4:*

Now get you autoresponder. This is very important for your business to build your own list. An autoresponder account will cost you just \$1 for the first month. It is highly recommended. Here is the link:

<http://affiliatesgoldmine.com/1/Aweber.html>

### *Action Step 5:*

Start to create your squeeze page as indicated in the video. Note: this step will be completed in the next video.

### *Step 8:*

Now double click on the video titled: “**video4thankyoupage**”. Make sure to understand it.

### *Action Step 6:*

Complete the squeeze page as indicated on the video: video4thankyoupage

### *Step 9:*

Watch the video titled “**video5emailfollowup**” to know how to upload the created squeeze page into your host, and to create the follow up emails in your autoresponder account.

### **Action Step 7:**

Download File Zella to help you to upload your files into your host account. Here is the link:

<http://filezilla-project.org/download.php>

### **Action Step 8:**

Use File Zella to upload the created squeeze page.

### **Action Step 9:**

Write your autoresponder emails as shown on the video. Then put them on your autoresponder account.

### **Step 10:**

Watch the last video titled “video6traffic”. This is an important one in fact.

Very Important: Without traffic, you never ever make a cent online! Why? Because no person will know about your site. Traffic means that you get people to visit your site and see your offer and sign up and buy the product through your affiliate link. This way you’ll make money. So, watch this video carefully and understand it.

### **Step 11:**

Now please read the PDF report titled “22ways”. This will show you how to get visitors to your site.

### **Step 12:**

Then read the PDF titled “newsletterdirectories” to know more resources of huuuge traffic.

**Action Step 10:**

Now apply just one source of traffic. As soon as you find yourself succeeded in this source, try another one, and so on.

Finally we reached the end of this report. I hope I answered all of your questions. Honestly this plan really works and it works very good for people who take action.
